Mr. William Rice, Administrator
U.S. Environmental Protection Agency
726 Minnesota Avenue
Kansas City, Kansas 66101

Dear Mr. Rice:

Subject: Mission Assignment Letter - Deobligation
FEMA-3126-EM-KS
EPA-01, and Amendment #1

We are in the process of officially closing all Mission Assignments (MAs) relating to FEMA-3126-EM-KS. Your agency was requested to participate in the response activities for this emergency.

Our records show that your agency has not billed against MA EPA-01, a request for technical assistance for the emergency operation. The funds in the obligation for this MA total \$12,000.00.

In order to close out this MA, this office needs either 1) a bill identified as a "Final Billing" for any costs to be reimbursed to your agency, or 2) a letter from you certifying that there will be no request for payment submitted against this MA.

If we do not receive a reply within 90 days from the date of this letter, we will assume that no costs will be claimed by the U.S. Environmental Protection Agency in relation to this MA and the remaining funds will be deobligated.

Thank you for your assistance during the emergency and for your cooperation in this matter. If you have any questions, please contact Mindy McDaniel, Mission Assignment Coordinator, at (816) 283-7070.

Sincerely,

Carolyn J. Coleman
for Warren M. Pugh, Jr., Director
Response and Recovery Division
